

Environmental Policy Statement (ISO 14001 Compliant)

Crown Lifts Limited is a Lift Installation, Repairs and Maintenance Company. The responsibility for managing and maintaining the policy lies with the Board of Crown Lifts Ltd and the general implementation has been delegated to the Health & Safety Committee.

The organisation abides by the group integrated policy, including its objectives, commitment to continuous improvement and environmental quality. All staff are made aware of the policy via company induction, which is implemented at all levels within the organisation. The policy statement is displayed at head office and retained for viewing at active sites. Copies are freely available to staff and members of the public on request.

Crown Lifts Limited is an environmentally conscious and responsible company. To carry out this commitment, it is Crown Lift's policy to strive to ensure that all aspects of the business have the least harmful effect on the environment by implementing an environmental management system to:

- Be fully aware of all environmental legislation and ensure that regulatory requirements are met and, where feasible, improved upon
- Our engineers are encouraged to keep waste to a minimum.
- All waste is taken to a Government Authority Tip and dealt with as the relevant legislation stipulates
- Company vehicles are regularly tuned to maintain optimum performance to ensure that they comply with the emission level guidelines. Dual fuel vehicles are introduced where appropriate.
- Monitor the implementation of the policy by carrying out periodic audits of compliance and, when appropriate, introduce remedial measures
- Ensure all employees, in the course of their duties, act in accordance with the environmental policy
- Encourage Suppliers, Contractors and Vendors, to act in accordance with our environmental standards.

In addition, areas of particular attention within the business will be the selection of non-polluting technology, waste minimisation, reuse/recycling and the reduction of energy consumption. Crown Lifts also makes a positive environmental contribution in the local community by encouraging open communication, general environmental awareness and the promotion of community projects.

Reg Coote
Managing Director
