## H&S Policy Statement

- The Policy of Crown Lifts Limited (the Company) is to provide and maintain safe and healthy working conditions, plant/equipment, environment and systems of work including the safe storage, transport and usage of hazardous substances for all our employees and other persons who may be affected.
- In discharging our responsibilities, the Company and its Management will comply with all relevant Acts, Regulations, Codes of Practice and professional advice from our Health and Safety Consultants (see section “External Sources of Advice and Consultancy” on page 38) who will act as our centre of competence.
- The Company similarly requires our employees and subcontractors to recognise their responsibilities with relation to the safety of themselves, other workers and other people who may be affected by their work and to co-operate fully with the Company and its Management in achieving this Policy.
- In particular, the Company accepts that it has a responsibility to:-
  - Provide information, training and instructions, where necessary, to enable employees and others to perform their work safely and efficiently.
  - Make available all necessary safety devices and protective equipment and supervise their use.
  - Maintain a constant and continuing interest in Health & Safety matters where applicable to the Company’s activities.
  - Continually improve our working practices and at the minimum review annual this policy and amend and update it to take into account any operational changes and business expansion.

### THE LAW

The Health & Safety at Work etc Act 1974 and all associated Regulations are legally binding and any breach of this law may result in prosecution of the Company and/or our employees.
